- We source our red pine timbers locally from dedicated mills with certified forestry practices.
- Red pine 4x4, 6x6 and larger timbers are purchased rough and seasoned on site for improved treatability.
- Enhanced quality control of our integrated milling facility produces squares to exacting standards for superior appearance.
- In-line incising capabilities with GEN II high-density, fine-tooth technology.
- All long length timbers graded and stamped to meet our stringent Timber TOUGH program.
